Professional Summary

Software Development Engineer / Full-Stack Developer B.Tech Computer Science graduate specializing in building scalable, production-ready web applications across modern backend and frontend ecosystems. with expertise in Java/Spring Boot backend and React.js frontend development. Ships **measurable production impact** across build times, query latency, and defect rates. Experienced in building **REST APIs, relational schemas, and AI-powered automation** (n8n, Claude/Anthropic tooling). Fast onboarding with an ownership mindset to contribute meaningfully from sprint one.

Experience

Web Developer Trainee Intern, Routa Digital India

Jun 2026 – Present

Sector 62, Noida, UP

- **Cut UI development time by 25%** by building **5+ production-ready React components** including analytics dashboards, reporting panels, and user management modules for an enterprise cyber-risk platform.
- **Integrated 10+ REST APIs** across 3 core modules using Node.js/Express and React, reducing bug turnaround time by **20%** through debugging, code reviews, and Agile collaboration within a **6-member team**.

Java Full Stack Development Intern, J/Qspider

Sept 2024 – Feb 2025

Sector 16, Noida, UP

- **Achieved 30% faster query response** by engineering **15+ RESTful API endpoints** with Spring Boot and Hibernate for 2 production-grade web applications, using optimized SQL and indexed schemas.
- **Ensured data integrity and zero-downtime deployments** by owning end-to-end backend development — database schema design through business logic — across **3+ relational schemas** in MySQL.

Projects

Virtual Restaurant (VR) | Java, Spring Boot, React, MySQL, Redis, WebSockets

🔗 Code | 2026

- **Developed a full-stack multi-tenant restaurant platform** supporting QR ordering, KDS, billing, analytics, and **RBAC** across **8 user roles**, secured with JWT authentication, refresh-token rotation, and tenant-level authorization.
- **Reduced API response time by 45%** using Redis caching, JPA query optimization, and database indexing, while implementing **sub-100ms real-time order synchronization** with SockJS/STOMP WebSockets and Flyway migrations.

Student Management System | Java, Spring Boot, JDBC, Servlets, MySQL

🔗 Code | 2025

- **Achieved 40% faster data retrieval** over raw JDBC by building a full-stack records platform handling **1,000+ student entries** across 5 modules (enrollment, grades, attendance, reports, admin) with Spring Boot-optimized queries.
- **Reduced data integrity errors by 35%** by designing a Servlet-based MVC architecture with server-side validation across **10+ endpoints**, cleanly separating business and data layers.

Guruji AI — Intelligent Student Support Chatbot | NLP, n8n, Prompt Engineering, Automation

2024

- **Resolved 50+ query types with 85%+ intent accuracy**, outperforming 3 competing teams, by conceptualizing and demoing an NLP support chatbot at the AI Agents Hackathon, MNNIT Prayagraj.
- **Slashed average query resolution time by 95%** (10 minutes to under 30 seconds) by engineering **12+ multi-step conversational workflows** via prompt engineering and n8n automation.

Education

Prayag Institute of Technology & Management, AKTU University

CGPA: 7.74 / 10

B.Tech — Computer Science Engineering

Aug 2022 – Aug 2026

Mangala Prasad Inter College, UP Board

82% (12th) — 78% (10th)

Senior Secondary & Secondary School

2018 – 2021

Technical Skills

Languages: Java, JavaScript (ES6+), SQL, TypeScript

Backend: Spring Boot, Spring MVC, Hibernate, Servlets, JDBC, REST APIs, Node.js, Express.js

Frontend: React.js, HTML5, CSS3, Component Architecture, API Integration

Databases: MySQL, PostgreSQL, MongoDB

DevTools: Git, GitHub, Docker, Redis, Postman, VS Code, Eclipse

AI & Automation: Claude, Prompt Engineering, n8n, Generative AI, MCP

Certifications & Achievements

Building with the Claude API (Anthropic) — plus 11 additional Anthropic certifications (Claude Code, Claude Platform, MCP, Cowork, etc..)

Software Testing Concepts, Prompt Engineering for IT Teams (Professional)

AI Agents Hackathon — MNNIT Prayagraj | **Advanced MDP** — MNNIT Prayagraj
