Professional Summary

Software Engineer (B.Tech CS, 2026) with **real-world experience shipping production features** for enterprise platforms across the full stack. Specializes in **backend engineering** with Java & Spring Boot and **frontend delivery** with React.js — bridging both worlds to build clean, scalable, user-facing systems. Has designed **REST APIs, relational database architectures, and AI-powered automation workflows** that measurably cut delivery time and improve system reliability. Known for **fast onboarding, ownership mindset**, and the ability to contribute meaningfully from the first sprint. Passionate about building things that work at scale and leveraging **AI-first engineering practices** to stay ahead of the curve.

Experience

Web Developer Trainee Intern

Jun 2026 – Present

Routa Digital India

Noida, UP

- Delivered **5+ production-ready React components** — including analytics dashboards, reporting panels, and user management modules — for an enterprise cyber-risk platform, **reducing UI build time by 25%**.
- Integrated **10+ REST API endpoints** across 3 core product modules, enabling real-time data sync between the Node.js/Express backend and React frontend with **zero data-loss incidents** post-deployment.
- Contributed to an **Agile team of 6** through feature development, defect resolution, and code reviews — improving sprint delivery rate and **cutting bug turnaround time by 20%**.

Java Full Stack Development Intern

Sept 2024 – Feb 2025

J/Qspider

Noida, UP

- Engineered **15+ RESTful API endpoints** with Spring Boot and Hibernate for 2 production-grade web applications, achieving **30% faster query response** through optimized SQL and indexed schemas.
- Owned end-to-end backend development — from **database schema design to business logic implementation** — across 3+ relational schemas in MySQL, ensuring data integrity and zero-downtime deployments.

Projects

Student Management System | Java, Spring Boot, JDBC, Servlets, MySQL

2024

- Built a **full-stack records platform** handling **1,000+ student entries** across 5 modules (enrollment, grades, attendance, reports, admin) — achieving **40% faster data retrieval** over raw JDBC via Spring Boot-optimized queries.
- Designed a **Servlet-based MVC architecture** with server-side validation across **10+ endpoints**, reducing data integrity errors by **35%** and ensuring clean separation of business and data layers.

Guruji AI — Intelligent Student Support Chatbot | NLP, n8n, Prompt Engineering, Automation

2024

- Conceptualized and demoed at **AI Agents Hackathon, MNNIT Prayagraj** — NLP chatbot resolved **50+ query types** (admissions, scheduling, academics) with **85%+ intent accuracy**, outperforming 3 competing teams.
- Engineered **12+ multi-step conversational workflows** via prompt engineering and n8n automation, slashing average query resolution time from **10 minutes to under 30 seconds (95% reduction)**.

Education

Prayag Institute of Technology & Management, AKTU University

CGPA: **7.74 / 10**

B.Tech — Computer Science Engineering

Aug 2022 – Aug 2026

Mangala Prasad Inter College, UP Board

82% (12th) — 78% (10th)

Senior Secondary & Secondary School

2018 – 2021

Technical Skills

Languages: Java (Primary), JavaScript (ES6+), SQL, TypeScript (Basic)

Backend: Spring Boot, Spring MVC, Hibernate ORM, Servlets, JDBC, REST APIs, Node.js, Express.js

Frontend: React.js, HTML5, CSS3, Component Architecture, API Integration

Databases: MySQL, PostgreSQL, MongoDB (Basic)

DevTools: Git, GitHub, Docker, Redis, Postman, VS Code, Eclipse

AI & Automation: Claude (Anthropic), Prompt Engineering, n8n, Generative AI, MCP

Certifications & Achievements

Anthropic — 9 Certifications: Claude 101 | Claude Code 101 | Claude Code in Action | Claude Platform 101 | Building with the Claude API | Intro to MCP | Claude Cowork | AI Fluency for Educators | AI Fluency Framework

Professional — 3 Certifications: AI-First Engineering Foundation | Prompt Engineering for IT Teams | Software Testing Concepts

Achievements: AI Agents Hackathon — MNNIT Prayagraj | Advanced Management Development Program (MDP) — MNNIT Prayagraj | Mahindra Pride Classroom — Professional Communication & Workplace Etiquette
